100% malolactic fermentation
12,5 % VOL.
no added sulphites
Native yeasts - no fining - no filtration
4 weeks of maceration
10 months in barrels of 4 wines

LE DOMAINE:

In the heart of the Provence-Verdon region, near the village of Artigues (north east of Aix-en-Provence), the estate stretches over a long hillside of 40 ha, surrounded by forests, with a total area of 120 ha, and culminating at an altitude of 450 m.

VITI-VINI:

The positioning of the estate in a green setting, its biodynamic farming practices (Demeter Certified), allow the estate to find a fair balance between ecosystem, agriculture and economy.

Healthy and living grapes allow us to carry out natural vinification (without oenological inputs) in order to respect the terroir, the vintage and the consumer.

GEORGETTE:

Selection of the most beautiful roll from our Georgette plot and maceration in infusion for 4 weeks.

Strong straw yellow colour offering a complex nose mixed with notes of garrigues, spices, white fruits and white pepper. The slightly structured mouth offers a length and complexity worthy of «large whites». To taste for food and wine agreements out of the ordinary!
