Native yeasts - no fining - no filtration  
2 months of maceration  
10 months in barrels of 4 wines

**LE DOMAINE:**

In the heart of the Provence-Verdon region, near the village of Artigues (north east of Aix-en-Provence), the estate stretches over a long hillside of 40 ha, surrounded by forests, with a total area of 120 ha, and culminating at an altitude of 450 m.

**VITI-VINI:**

Certified), allow the estate to find a fair balance between ecosystem, agriculture and economy.

Healthy and living grapes allow us to carry out natural vinification (without oenological inputs) in order to respect the terroir, the vintage and the consumer.

**AUGUSTE:**

Selection of the most beautiful syrah from our Auguste plot and maceration in infusion for two months.

Purple colour with violet reflections. Elegant nose of red fruits mixed with black pepper and undergrowth aromas. The mouth unfolds on a beautiful complexity with a freshness worthy of northern syrah. To be put in good hands for great occasions.
