North exposure - 450 m altitude

100% malolactic fermentation
12,5 % VOL.
SO2T: 20mg/L
Native yeasts - no fining - no filtration
Concrete tank

LE DOMAINE:

In the heart of the Provence-Verdon region, near the village of Artigues (north east of Aix-en-Provence), the estate stretches over a long hillside of 40 ha, surrounded by forests, with a total area of 120 ha, and culminating at an altitude of 450 m.

VITI-VINI:

The positioning of the estate in a green setting, its biodynamic farming practices (Demeter Certified), allow the estate to find a fair balance between ecosystem, agriculture and economy.

Healthy and living grapes allow us to carry out natural vinification (without oenological inputs) in order to respect the terroir, the vintage and the consumer.

BOB ROUGE:

Vinification in liquid phase after a light maceration of a few hours. A wise assemblage and here is Bob rouge!

Light red robe with a slight turbidity; nose mixing the red fruit to white fruit, mouth greedy, fresh and light. TO DRINK WITHOUT MODERATION.
